Lonza & Basler Kantonalbank

Benefit from a strong partnership

There is no time limit
to your savings!

Basler Kantonalbank has close links to your region – and especially to Lonza. From now on, you, as their active or retired employee, will receive exclusive preferential conditions and many other benefits.

For more than 110 years, Basler Kantonalbank (BKB) has had a clear performance mandate: to reliably support Basel residents in financial matters. As a pioneer, we have introduced goal-based consulting, which focuses on your personal goals.

Always close to you

We offer services for every financial need and, with our branch network, we are closer to the people in the region than any other institution.

More commitment to the region

We owe a lot to the city and the Basel region. That is why we give a lot back. With a wide range of sponsorships in the areas of sports, art, culture and society, we make a contribution to the quality of life in the region.

Sustainability out of conviction

We have always thought and acted on a long-term basis. This has already been noticed by others: For this reason, we have received several awards for our sustainability.

Transfer made easy

If you decide to go with us, we will take care of the rest: the transfer of your account, securities account and all the bank details. And to make your switch to us even more convenient, we also cover the fees.*

* The offer refers to balancing and transfer fees from your previous bank. Early repayment fees in the mortgage business, withdrawal fees for savings accounts, etc., are excluded.

AVL
Angestelltenvereinigung Basel

Lonza

Benefit from the great potential for savings, with no time limit*

As part of our partnership with Lonza, you will benefit from attractive preferential conditions. And the more services you purchase from us, the greater your cost advantage. We will be happy to advise you and support you according to your needs.

Advantages for active and retired employees of Lonza

✓ Free basic services:

You receive basic products and services for payments and savings from a single source and free for an indefinite period.

✓ FX special rate:

Benefit from a 50 % discount on regular exchange rate prices.

✓ Goal-based consulting:

Our client advisors are available for all your financial questions – in every phase of life and wherever you wish: at your premises, in one of our branches or conveniently by video conference.

✓ Exclusive investment benefits:

You receive a 20 % reduction on the regular price of the fee for the advisory custody account and the all-in fees for the asset management mandates.

Here you can find the exclusive partner offer.
