Instructions for registration in the Pension Cockpit

Step ①

Open our website www.pensionskasse-lonza.ch in your web browser.

Step ②

Click on the "Pension Cockpit" button at the top right.

Step ③

Click on "Start registration"

Step ④

Now enter your registration code and personal social security number.

For data security reasons, your personal registration code will be sent to you by post. You will find the social security number on your pension certificate or alternatively on your personal health insurance card. (Format: 756.XXXX.XXXX.XX).

Step ⑤

Define a personal user name and password for your future log in to the Pension Cockpit.

Please keep your login details and registration code in a safe place.

Next, define your preferred two-factor authentication. **We recommend that you use e-mail or SMS for authentication**.

This authentication procedure is a security measure whereby a separate access code is sent to confirm a user's identity. This code is required to log in to the customer portal.

After confirming the defined two-factor authentication, please acknowledge the general terms and conditions. Registration is now complete.

You can log into Pension Cockpit at any time to view your current pension data, create a pension certificate or perform simulation calculations.
